OBJECT : REACH (REGISTRATION,EVALUATION,AUTHORIZATION and RESTRICTION of CHEMICALS) LEGISLATION

Dear Sirs,

With reference to the legislation in object, we are pleased to inform You that after a comparative analysis of the state of conformity with the regulations above mentioned, as regards the products we are supplying You with (Aluminium Electrolytic Capacitors), we are not subject either to registration or pre-registration.

In particular our activity is of the type established by the Par.3/24 of the said regulations.

In the meantime we are collecting the necessary information about the position of the producers and/or possible importers of chemicals, used in our process, in order to acquire their respect of the accomplishments of the said regulations (pre-registration and if necessary following registration).

Thus we believe that in a reasonably short time (depending on our suppliers' answers) we will be able to give You all the details.

We assure You from now, nevertheless, that no one of the products we use is classifiable among very dangerous substances, the so-called substances of very high concern (SVHC).

Our manager for environmental issues is at Your disposal for any information you should require; please contact

Mr Luca Primavesi,
Quality Assurance Manager,
tel. nr +3902.9036.2995
e-mail lucaprimavesi@itecond.it.

Best regards
